

CLX Logistics Wants to Help With Your Critical Medical Supply & Equipment Shipments

We are experiencing unprecedented times. With the ongoing spread of COVID-19 and the incredible speed at which the situation is changing, we at CLX Logistics are continually adapting our operations and our business to best serve the public on a worldwide level.

We hope that the impact of the COVID-19 epidemic is minimized and the effect can remain manageable. CLX Logistics has capabilities that can assist you RIGHT AWAY during this time of need:

- International Freight Forwarding
- Air Freight
- Customs Clearance / FDA Compliance
- Domestic Trucking and Last Mile Delivery

CLX Logistics has the expertise and willingness to assist customers of all sizes in all industries. Please contact us at MedicalAid@clxlogistics.com today to let us discuss your immediate transport needs with relation to mitigating your supply chain issues from COVID-19.

We will prioritize immediate needs, specifically:

- Medical Supplies
- Ventilating Equipment
- Sanitizing Agents and Food Grade Solvents
- Pharmaceuticals

On behalf of all of us at CLX Logistics, above all else, please remain safe and healthy and heed the advice of the federal, state, and local authorities.
