

Optimize Your Procurement in 10 Steps with CLX LaneLogix™

Improve Visibility & Close the Gaps Between Performance, Spend, & Risk

CLX LaneLogix™, a global rate procurement service, is the next stage in chemical supply chain management for benchmarking, bidding, and procurement. It quickly and easily integrates into your current system and allows you to analyze, optimize, and adapt your chemical supply chain. This infographic describes the steps CLX Logistics takes using CLX LaneLogix™ to optimize your procurement strategy.

CLX LANE LOGIX

1. Spend Analysis

CLX LaneLogix™ starts with a detailed analysis of where your money is going.

2. Maturity Assessment

CLX LaneLogix™ helps provide a comprehensive view of your procurement function.

3. Identify Opportunities for Improvement

Explore and leverage new data-driven efficiencies within your existing transportation network.

4. Align & Inform the Right People

A centralized hub enables rapid network coordination that's easily scalable to meet customer needs.

5. Evaluate & Train Team Members

Gain a better understanding of what education and training you should provide and who needs it most.

6. Develop Supply Chain Strategies

Set precise expectations around quality, cost, delivery, and innovation with suppliers across your network.

7. Network Risk Assessment

Understand, communicate, monitor, and mitigate risks related to your supply chain procurement process.

8. Social & Environmental Strategies

Develop new social, economic, and environmental initiatives that drive and enhance your procurement strategies.

9. Implement IT & Tools

Leverage a massive store of transportation data to plan and implement value-generating tech solutions.

10. Develop KPIs & Produce Reports

CLX LaneLogix™ helps define future procurement savings metrics and monitors and shares critical data with the right people.

CLX LANE LOGIX

Deploy a Next-Generation Procurement Strategy

- Dedicated resources to expedite and optimize your procurement event
- Expert predictor of procurement results
- Avoids bid mistakes
- Greater savings, typically 2-3% better than in-house events
- Faster turnaround that saves time for your team

Talk to CLX Logistics about your procurement strategy.
